Read the Vision

As you read this letter, I call to your attention your ability to read.

People can have varying degrees of literacy. Some are fluent in several languages.

We are unique among God's Creation. Animals don't have the ability to read & write.

God is literate. He keeps Books on what He does. He keeps written records in heaven on what man does.

This literacy is a high privilege. We are like God in our literacy skills.

"Write the Vision, make it plain upon tables that he who reads it may run with it." Hab. 2:2

The written vision described is now a completed copy in your hands.

Your Bible is a masterful work of God. Many, participants, over thousands of years have prophesied, written, & read God's Inspired Words.

The only writing of God's own hand that we know of was His writing of the Ten Commandment tablets that He gave to Moses on Mt. Sinai!

The rest has been spoken prophetically. Written by Holy Ghost inspiration. Translated. Printed. And now is in your hand.

To our knowledge Jesus never wrote any of His Teachings. He wrote on the ground as accusers tried to get Him to condemn the woman taken in adultery. John wrote it down in his gospel.

I Trust the Verity of my Bible. I'm thankful to have been trusted with a copy of such a work.

I studied literature in college. I have read most of man's most famous works. In English.

Nothing I have ever read has ever come close to the mastery of the Bible we have.

I treasure it as a Gift.

God is literate. And so am I.

He communicates with me through His written word.

He lays out to me the mysteries of the universe and the Creation, using my Bible as the Tool.

The Holy Ghost talks to me through my Bible. I receive Divine Inspiration through the Reading of my Bible.

Nothing I have ever come in contact with even comes close to the revelation I receive as the Holy Ghost opens my understanding to the Holy Word.

God's Vision can be spoken into your heart.

Jesus talked about that in His earthly ministry.

God's vision can also be imparted to you in writing.

God uses both.

In my vanity I thought I knew God before I started reading His Word.

I based my understanding on experiences that I had.

Gradually, the Holy Ghost revealed to me that I could be wrong. My perception of God by experiences changed often.

Then I got this word.

“For ever, O Lord, thy word is settled in heaven.”- Psalm 119:89

Then, the Revelation that God is named the Word.

Then. *“Jesus Christ the same yesterday, and to day, and for ever.”*
-Hebrews 13-25

My continually changing understanding was not solid enough to live on.

Then, I **discovered** my Bible.

Everyday, I wake up and it **speaks** to me. Then I go back on yesterday's reading and it hasn't changed. Gradually I realized God's written Word was given to me in this Medium to show me His Nature.

He **is** the Word. Tomorrow, He **is** the Word. Yesterday, He is the Word. He is the same. He never changes.

Though my Bible is made of paper, leather, ink. It nevertheless resembles Him.

He uses this finite tool to communicate with me.

God is literate.

So am I.

I pray that you will **find** God in your Bible.
