***"Some Like It Hot!"***

Though not intentionally, Jesus frequently provoked the scribes and Pharisees, which resulted in a **hot** environment.

The Apostle Paul had the same effect by intentionally provoking and dividing the Sadducees and Pharisees.

Paul knew their **hot** buttons – it was about resurrection.

The Sadducees were **violently opposed** to teaching a resurrection.

They were *Sad* you see.

Neither the Apostle Paul, nor Jesus, intentionally created a **hot** environment, they both had a similar reaction from their critics.

Yet, they never stopped speaking the **truth**.

*And you shall know the truth, and the truth will set you free.*  
- John 8:32

Speaking the **truth** in love causes an eventual calm – it produces **peace**.

Having a **hot spot** in your life can draw darkness toward you.

Remember, God never stops speaking the **truth**.

Moses was commissioned to speak **truth** into Pharaoh's life.

Pharaoh had a **hot spot** – the nation of Israel.

It took a while, but he let God's people go.

This was a step to eventual **peace**.

*Challenge Reminder:*

**Read five chapters in the Word and pray in tongues for 30 minutes.**

*"Likewise the Spirit also helps our weaknesses. For we do not know what we should pray for as we ought, but the Spirit HIMSELF makes intercession for us with groanings which cannot be uttered. Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27*
