## "Thrill Ride"

While the "world" is planning Armageddon, our God is leading His people in the opposite direction!

**Doom and Gloom** is a one-sided thought process.

With the expected return of the Lord Jesus Christ soon approaching, we as the Body of Christ have a **great future**.

We are excited about our coming **Thrill Ride**.

The **actual date** of His expected arrival is irrelevant to our happiness.

Jesus has already given us all we need to walk in **Victory now!**

We are on a **Thrill Ride** already! We are not down – but **up!**

We look to our future and all we see are **great things!**

We are not watching our clocks, but we are watching the Kingdom as we have **been instructed** to do.

The **Kingdom of God** is our focus.

Seeking the Kingdom has become our way of saying **NO** to negativity.

We are chasing good rather than bad.

We clearly **see** the difference between darkness and light.

We have answers while the world doubles down on their problems.

We know the **solution** to the **problems** – they are called **Promises**.

We are **blessed** coming in **and** going out!

Now He who searches the hearts knows what the mind of the Spirit is, because He makes intercession for the saints according to the will of God." -Rom. 8:26-27*
