"You're Invited"

Celebrating the birth of the Lord Jesus Christ is a **wonderful** and **memorable** event every year.

We are always amazed at how the world joins in on the **celebration**.

It is like being continually reminded of how many have actually heard about Jesus.

And the three Wise Men.

And Joseph and Mary's trip to Bethlehem.

And the Star in the East that moved directly over Nazareth where He was placed in a manger.

And Herod's ignorance of his location, even though Jesus was right under his nose.

And the **Celebration** by the angels, shepherds, and animals.

And Mary and Joseph fleeing the wrath of their national leader to **hide out** in Egypt.

Then, the **majesty** of the event was shared with us about 2,000 years later.

We will never forget...

Singing the songs.

Opening the presents.

Witnessing the glow on each face.

It's as though the original moment in Nazareth has never been lost.

In spite of the world's struggles, Jesus **brightens** the season and reminds us of how we have been **blessed!**
